Note from President Casady:

I wish to announce that 2011 will be the year in which we better organize the 7,000 Democrats in La Jolla by holding a series of pizza parties. Our club will buy the pizza and soft drinks and club members will bring their cell phones and call Democrats in the 40 La Jolla precincts. The goal is to recruit two precinct chairpersons per precinct who will agree to knock on Democratic neighbors' doors to register new Democrats, recruit new club members and generally keep La Jolla Democrats informed of what's going on that Democrats need to know about.

This will better prepare us for the 2012 election. I am very excited by the prospect of getting our La Jolla Democrats organized. I think it will stimulate other clubs to do the same. Of course, we will also continue our monthly meetings with speakers on issues of concern, letter writing and our social events. *Derek*
