## **Assemblymember Toni Atkins, Candidate for Re-election in the New 78th California Assembly District**

Toni Atkins is a candidate for the newly redrawn 78th Assembly District.

She was elected in November 2010 to currently represent the 76th Assembly District. Previously she served as a member of the San Diego City Council, a position she held from 2000-2008. During her tenure on the council, Ms. Atkins served as a member on a number of the council's policy issue committees and as Acting Mayor in 2005 when the previous Mayor

resigned. Prior to her election, Assemblymember Atkins also served as a staffer to former councilmember and now state senator, Christine Kehoe.

Assemblymember Atkins has battled for affordable housing throughout her public career. Additionally, Assemblymember Atkins considers legislative reform a top priority, having worked for financial reform and transparent budgeting as chair of San Diego's Budget and Finance Committee.

Along with affordable housing and reform, Assemblymember Atkins' other priorities include encouraging economic development, improving the state's educational standards and ensuring California residents public safety. Issues of concern to the lesbian, gay, bisexual and transgender (LGBT) community have also been a high priority.

Assemblymember Atkins is originally from southwestern Virginia, and graduated from Emory & Henry College with a degree in political science, focusing on community organizing. In July 2004, she completed the senior executive program at the John F. Kennedy School of Government at Harvard University.
