**March Meeting - the 3rd Sunday - March 20, 2:00-4:00 p.m.**

**La Jolla Ridford Public Library  
7555 Draper Avenue, La Jolla, 92037**

**Topic: Campaign to Expand School Board**

“San Diegans 4 Great Schools” is a campaign to expand the school board, now composed of five elected members, to include four additional appointed members.

The campaign would also set term limits and elect school board members exclusively from geographical subdistricts instead of making them campaign in the school district at large.

We will begin the discussion with John Stumpf and Jim Bates (details on  
[www.lajollademocrats.org](http://www.lajollademocrats.org))

**Another important topic: Nuclear Power.** Nancy Casady, President of the Alliance for Nuclear Responsibility ([www.a4nr.org](http://www.a4nr.org)) will outline seismic questions related to California nuclear plants.

**Also, learn about how we plan to organize La Jolla for the next election!**
