Adopt a Precinct

You or someone you know might be just the person to serve as one of the two Precinct Leaders for your neighborhood.

You know many of your neighbors and you will enjoy meeting others.

This is a role that will enable you to represent the San Diego Democrat Party in your precinct - to be a contact person for Democrats in your area.

To do this, you will go around the precinct with a precinct list furnished to you which tells you which of your neighbors are registered Democrats. You and your partner will knock on the doors of your Democratic neighbors, introduce yourselves as precinct leaders and say "hello." Some

neighbors will be pleased to know other Democrats and will be eager to talk. Others will be busy and decline conversation. In that case, you'll thank them and go on your way.

Your calling might result in:

- * encouraging your neighbors to vote
- * identifying people who might run to fill a local public office (planning board, water commission, town board, etc.)
- * locating potential donors
- * spreading the Democratic Party message

If you are interested or would like to recommend someone, contact Derek Casady at 858-457-0246.
