**July schedule change alert!**  
**No LJDC Meeting in July**

Due to the California Democratic Party's July 16-18 Executive Board Meeting, which is attended by many of the LJDC members who sit on CDP State Committees, there will not be a monthly meeting in July. LJDC members are encouraged to attend the July 16-18 CDP Executive Board meeting in San Jose.

**August Meeting - the 3rd Sunday - August 15**  
**2:00-4:00 p.m**  
**LJDC Fund Raiser**

The La Jolla Democratic Club annual fundraiser event will be held at  
Derek and Nancy Casady's home in La Jolla.  
4765 Voltaire St., 92107

Hopefully, our program speaker will be the Honorable  
Lori Saldana, State Assemblyperson, representative of the  
76th Administrative District and Assistant Majority Whip.  
Availability depends on the successful passage of the  
California State budget.

His work through the National Center for Regulatory Reform includes the following proposal:

- Repeal the 1999 repeal of the 1933 Glass- Steagall Act;
- Require collateralized derivatives to be registered as securities offerings under the 1933 Securities Act;
- Require hedge funds and hedge fund advisers to be registered under the Investment Company and Investment Advisers Act;
- Define credit default swaps as insurance subject to state insurance regulations;
- Prohibit credit default swap speculation; and
- Strengthen the bank holding company act by, amongst other things, extending it to investment banks.
